SUMMARY

Quality Assurance Intern with hands-on experience in manual testing, API testing, and API automation using Java, TestNG, Rest Assured, Maven, Postman, and Git. Experienced in writing and executing test cases, identifying and reporting defects, validating API responses, and collaborating with developers to verify fixes. Quick learner with strong analytical and problem-solving skills, seeking to contribute to software quality while expanding expertise in QA best practices.

EXPERIENCE

Quality Assurance (QA) Intern - Attentive.ai

June 2026 - Present

Hybrid

- Executed manual functional and regression testing for web application features across multiple release cycles.
- Designed and executed detailed test cases and documented test results to support consistent, repeatable QA coverage.
- Performed API testing and validation using Postman, and automated REST API test cases using Java, TestNG, and Rest Assured.
- Identified, reported, and tracked software defects while coordinating with developers to verify bug fixes.
- Used Git and GitHub for version control and collaborated on pull requests during testing activities.
- Assisted in improving test coverage and maintaining QA documentation.

PROJECT

API Test Automation Framework

- Built and maintained REST API automation scripts using Java, TestNG, and Rest Assured.
- Automated API validation for authentication, CRUD operations, and response verification.
- Used Maven for dependency management and Git for version control, with Postman for manual verification.
- Reduced manual testing effort by automating repetitive API test scenarios.

EDUCATION

B.Tech, Computer Science Engineering

2025 - 2029

Faculty of Technology, University of Delhi
Class XII: 80.2% | Class X: 82.6%

SKILLS

Quality Assurance & Testing: Manual Testing, Functional Testing, Regression Testing, API Testing, API Automation, Test Case Design, Test Execution, Bug Reporting, Defect Tracking

Automation & Programming: Java, TestNG, Rest Assured, Maven, C

Web: HTML, CSS, JavaScript

Tools: Postman, Git, GitHub, VS Code, Cursor, Claude AI

CERTIFICATIONS & ACHIEVEMENTS

- Introduction to Web Development - Coursera
- Programming Foundations with C - Udemy
- Smart India Hackathon - College Level Selection
- Productathon, IIT Roorkee - Finalist
